POSTERS

An ongoing series of open editions, printed with the The Colby Poster Printing Company of Los Angeles, California. All of the hand-set, letterpress prints were “designed” over the phone, or by fax. Produced in smallish quantities until Colby closed its doors after over 60 years in business.

DEPRESSINGLY AWESOME

Part of the exhibition *In the Good Name of The Company* at For Your Art, Los Angeles, 2013.
